

The following authors submitted pieces of writing for this conference and for inclusion in the Beginnings III book. However, because of the limited number of pieces that could be accepted, not everyone was included. Each of these writers deserves praise for taking the chance and allowing us to read their work. We hope that each of them will submit writing again next year, when, if possible, we will be able to include more authors in this publication and at the conference.

Honorable Mention Authors

Anisa M. Abdullahi	Gaby Colson
Najla Aldahab	Johnny Cook
Oscar Arlnaza	Karen Craig
