

Reflection

Now that you have completed the first EFF introduction training session, please reevaluate yourself using the rubric you first filled out in this session. After looking at your personal rankings, what area or areas do you want or need to learn more about?

How do you plan to learn more about these areas?

- Books
- Websites
- Other trainings
- Personal experience
- Resource centers
- Other _____

Based on what you have learned today, what EFF tool do you plan to go back and try to use in your work and how do you plan to do so?
