EFF Classroom Example

**Name of Activity**  Using the Community Role Map  
**Framework Component**  Role Maps  
**Submitted By**  Judy Franks  
**Program**  Ohio Literacy Resource Center  
**Address**  Research 1 – 1100 Summit St.  
Kent, OH  44242  
**Phone**  330-672-0753  
**Email**  jfranks@literacy.kent.edu

Describe what you did including how you used EFF and the results produced.

Brainstorm a list of things that effective community members need to be able to do and write each of these things on a card. Put all the cards together, sort them into categories and give them titles. Talk about the activities that are your own strengths. Compare your "maps" to the EFF map. Would you add anything to your own "maps"? Talk about what and why.
